## Genuine EISELE Accessories and Products

GERMANY

Full warranty ex works will be granted, provided that  
- the Genuine EISELE SH55 circular saw blades and  
- the Genuine EISELE Super Coolant Concentrate are used.

### Note for mixture:

The EISELE Super Coolant Concentrate must always be stirred into the water – not vice versa!  
Mixture: 1:20 Order No. 9990960755 5 litres Order No. 9990960760 10 litres  
In case of contact with eyes, rinse eyes thoroughly with plenty of water!  
In case it has been swallowed up, immediately consult a doctor!

Table - How to find the appropriate saw blade?

The use of the appropriate Genuine EISELE SH55 saw blade with the correct tooth pitch is a pre-requisite for an optimum cut. This table helps you to find it!

Go column D (diameter given in mm) in down ward direction and line S (thickness given in mm) in transversal direction. The figure where column D and line S cross indicates the optimum tooth pitch for your Genuine EISELE SH55 Saw Blade.
